# Texas Mental Health Transformation

**2009 – 2010 Operations Plan**

# Mental Health Transformation

- **PURPOSE of SAMHSA MHT grant 2005-2010: Change MH infrastructure to reach NFC goals**
  - 1. Understand that MH is essential to overall health*
  - 2. Make MH care consumer- and family-driven*
  - 3. Eliminate disparities in MH*
  - 4. Make early screening, assessment, & referral common practice*
  - 5. Use excellent MH care & accelerate research*
  - 6. Use technology to access MH care & information*
- **GOAL: Determine effective “MH Infrastructure Innovations”**
  - *Infrastructure* = The basic foundations, facilities, services, & installations needed for the functioning of a system
  - *MH Infrastructure Innovations* = Use of novel infrastructure or novel use of infrastructure to increase effective MH services

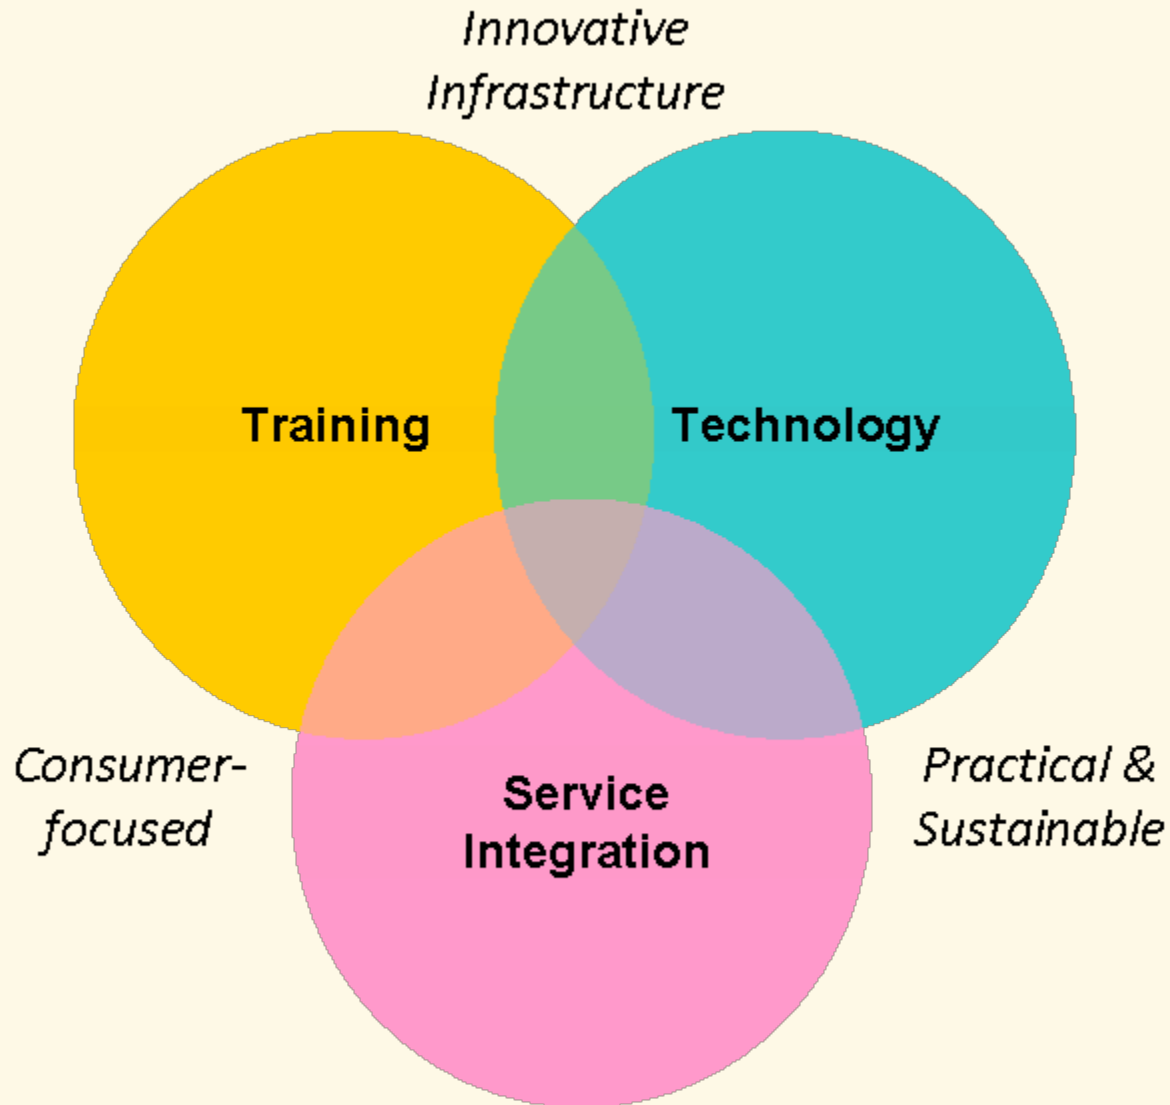

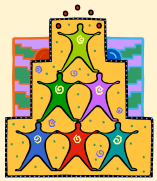

## 2009 – 2010 MHT Focus for Direct Involvement Projects

- **“Innovative Infrastructure” categories**
  - **Technology**
    - *Establishes or advances technology related to MH Services*
  - **Training**
    - *Establishes or advances training related to MH Services*
  - **Service Integration**
    - *Establishes or advances alternative MH Service processes*
    - *Uses “Evidence-Based Practices”*
    - *Community Collaboratives (7 sites across Texas)*
- **“Consumer-focused” and “Practical”**
  - **Focus on getting infrastructure and services in place**
    - *Allow those in need of better services to benefit from our projects and findings*

# 2009 – 2010 MHT Focus for MHT Direct Involvement Projects

# MHT Direct Involvement Projects

## Development

**Establish  
*MH Infrastructure  
Innovations***

- **Training Resources ABC**
- **Peer/Family Certification ABC**
- **Health Risk Assessment ABC**
- **MHT On-line Community ABC**
- **TXCEDS C**

## Pilot

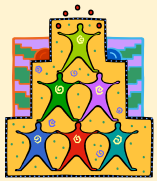

**Implementation  
Try out *MH  
Infrastructure*  
in MH settings**

- **Evidence-based Practice Clearinghouse ABC**
- **Children's Resiliency POC Study ABC**
- **Adult Recovery POC Study ABC**
- **Coastal Bend Navigator ABC**

**Full-Scale  
Implementation  
Include *MH  
Infrastructure*  
in MH services**

- **CMBHS BC**
- **SB 839 Data Sharing MH/Criminal Justice ABC**
- **Bexar County Competency Restoration Program C**

**Key: A = MHT Development    B = MHT Implementation  
C = MHT Evaluation**

# Projects Nominated & Accepted for MHT Evaluation

- **Development Projects**
  - **Training Resources** ABC
  - **Peer/Family Certification** ABC
  - **Health Risk Assessment** ABC
  - **MHT On-line Community** ABC
  - **TXCEDS** C
- **Pilot**
  - **Evidence-based Practice Clearinghouse** ABC
  - **Coastal Bend Navigator** ABC
- **Full-scale Implementation Projects**
  - **CMBHS** BC
  - **SB 839 Data Sharing MH/Criminal Justice** BC
  - **Bexar County Competency Restoration Program** C

## Other MHT Activities

- **Project data collection and dissemination of findings**
  - **Have standard information for ALL projects (descriptions and results)**
- **Data Standards & Health Information Exchange**
  - **Data sharing across state agencies**
- **Returning Veterans and their Families**
  - **State appropriations**
  - **Bexar County Jail Diversion Program**
- **Community Collaboratives**
  - ***Tarrant County Transformation Project***
  - ***Dallas County Project Transform***
  - ***Nacogdoches County Mental Health Collaborative***
  - ***Williamson County Mental Health Task Force***
  - ***Llano Estacado Alliance for Families (LEAF)***
  - ***Coastal Bend Rural Health Partnership***
  - ***Bexar County Safety Net Community Collaborative***
